What is Salve?

-  Salve guides you through treatment from the palm of your hand with everything you need when you need it
-  We'll keep you on track with handy reminders – just remember to turn on notifications
-  You'll get personalised treatment information tailored to your plan with explainers, videos and image guides
-  Securely and conveniently contact clinic staff via Salve's in-app chat function

How to download and use

-  Scan the QR code with your phone's camera to download Salve
-  Tap 'create an account', enter the invite code, then sign up using the same details you've registered at the clinic
-  Verify your account with the email and SMS codes we send you (check your spam if nothing comes through)
-  You're all set! For app questions and feedback please email hello@salveapp.co.uk
